

PROFILE

The Sree Narayana Dharma Paripalana (S.N.D.P) Yogam in 1946 resolved to establish a college at Kollam in obeisance to the great saint, philosopher and social reformer Sree Narayana Guru, to provide better, higher educational facilities, mainly for the backward classes of Kerala. Emphasis was given on education, as only education had the power and potential to wipe out disabilities of the illiterate, the underprivileged and the downtrodden, who were cursed by an inhuman caste system. The resolution came true when the Sree Narayana College was opened in 1948 as a mixed college. To meet the increasing demand for seats, it was decided to start a separate college for women. The Sree Narayana College for Women began to function in the same building in September 1951 with affiliation to the University of Kerala, after shifting the already existing College to a separate building which continues to function as Sree Narayana College, Kollam. Sree Narayana College for Women stands as a proud and triumphant symbol of a renascent and progressive society ushered in by the spiritual effulgence and vision of the great Guru.

The college had a modest beginning with a few courses at the intermediate and undergraduate levels. More courses were introduced later. The college was elevated to the status of a Postgraduate institution in 1964 with the introduction of M.Sc. course in Home Science. A job oriented UGC sponsored course in Actuarial Science was introduced in 1997-98. The next year (1998-99) witnessed the introduction of M.Sc. in Physics. A restructured B.Sc. course in Industrial Microbiology was introduced in 1999-2000. M.Sc. Applied Chemistry was started during 2000-2001. Now the college is one of the leading centres of learning in the field of higher education in Kerala with 15 teaching departments offering various courses at the Degree and Post-graduate levels for over 2500 students. The Department of Chemistry was elevated to the status of a Research Department in 2008 and at present 10 Research Scholars work under two Research Guides.

This prestigious institution has a great tradition of producing meritorious students from its very inception. All through these years, the teacher community and the student community of the college have contributed the brick and tool towards the process of moulding a progressive intelligentsia, free from caste and communal prejudices and social taboos.

OUR VISION AND MISSION

The Sree Narayana College for Women, Kollam, a pioneer institution for higher education in southern Kerala was founded by the great Statesman and leader Sri. R. Sankar in 1951. Inspired by the ideals, vision and social philosophy of the revered saint, philosopher and Karmayogi Sree Narayana Guru, Sri. R. Sankar started the mission of social upliftment by founding the temples of higher learning all over Kerala.

The Sree Narayana College for Women aims at achieving the high ideals of Sree Narayana Guru ie, Sree Narayana Dharma, which stands for 'Enlightenment through Education' and views education as an instrument of socio-economic progress, material advancement and political, moral and ethical development of individuals in the society. It endeavours to mould a humane, intellectually accomplished morally awakened and socially committed set of young women. It was for fulfilling Sree Narayana Guru's call for education especially women's education and their empowerment, that this great centre of learning has been established. As a leading institution for higher education and research for women, the college hopes to develop a holistic attitude towards life which represent a harmonious blend of the material and spiritual aspects. Conscious of its inceptional obligation of imbibing and disseminating the revolutionary ideal of "One Caste, One Religion, One God", the college promotes respect for all religions, which is an essential ingredient of the Indian ethos and culture.

We believe that, education must be a man making process and act as an instrument of change. It should be used as a major tool for curing the evils of society. The classrooms should go beyond the traditional role of acting as centres

for transmission of knowledge to become centres for character building, which should cover effective learning outcomes like values, interests, attitudes etc. relevant for better understanding and interaction with others in society. Also we believe that, education should have its focus on the development of wholesome human beings.

It is our firm conviction that education should promote moral values. It should create in the students the ability to distinguish the right from the wrong. Education is liberation of mind because each individual has immense potential. Education seeks to bring out this potential. Our institution stands for intellectual liberation and our motto is freedom through education.

The Sree Narayana College for Women a synonym for Excellence in higher education, strives to induce an unusual striking note in students to wrest the best out of life. Also it offers a brilliant career and future. We also try to mould their personality and culture, besides their skill to climb the ladder of success and capacity to win over the obstacles - in the onward march of life. Thus the college offers excellence, efficiency and prudence.

Our college assures the quality of higher education and value orientation by providing (a) quality of content and technique of education (b) the quality of teachers (c) the quality of infrastructure and (d) the quality of students. It fulfils all the standards of excellence, order and discipline. The students have access to the new frontiers of knowledge in all fields. Our teachers are devoted to scholarship and have the capacity to transfer the knowledge. They can stimulate the minds of the students and invoke in them an abiding interest in the subject. They are committed to their subjects as well as to the students. Thus we envision for our students not only an intellectual adventure in the arena of higher education, but also socially beneficial behaviour, co-curricular activities and many laurel winning leadership opportunities and success.

We take care to expel the darkness of ignorance from the youth by shedding into them the flaming light of true wisdom. The Sree Narayana College for women enriches students to develop their unlimited inherent talents to get an opening into the world of new possibility. Here the spirit of professional competency, sense of social justice and of self confidence would win them great victories. Thus gaining the maximum our students would be the symbols of national unity, cultural heritage, justice, freedom and excellence and at the same time practising the ideals of Sree Narayana Guru.

MANAGEMENT OF THE COLLEGE

The management of the college is vested with the Sree Narayana Trusts. The Management committee of the college consists of the Members of the executive committee of the Sree Narayana Trusts together with the Principal of the college, who is an Ex-officio member. The Secretary of the Trusts is the Manager of the College.
