NEWS HORIZON

“If Winter comes, Can Spring be far behind”

We rose from the ashes of Corona like a phoenix bird

Knowledge finds its way – The virtual World

Even though corona had tried very hard to curb the soul out of the campus, the dedicated faculty together with the enthusiastic student community put up the spirit through the available limited resources. Seminars gave way to Webinars. Classrooms got shifted to online live classes. Nothing could restrain the copious pulse of SNCW.

Become enlightened, through Education

Become strengthened, through Organization

Become prosperous, through Hard Work

Said our visionary Sree Narayana Guru and thus SNCW through Hard Work and Organization was able to provide equal Education to our diverse student community.
