

Report of the Workshop on Fabric Painting Techniques

The PG Department of Home Science in association with the Institution Innovation Council (Ministry of Education Initiative) organized a two days workshop on Fabric Painting Techniques on 11th and 12th November 2021 in the T&C Lab from 10.00am to 3.30pm. The resource person of the day was Ms.Rekha Anilkumar, Fevicryl Instructor. The workshop was conducted for the 5th semester BSc Home Science students. The students attended the workshop with great enthusiasm. The students had hands on experience on fabric painting techniques like Batik, Tie &Dye, Fabric painting, Block printing, 3D painting and Ikkat work. The instructor clearly explained the way of doing each work and the students keenly listened to it. The students really benefited from the workshop and all these fabric painting techniques they learned will definitely help them to earn income if they apply it in their future life.
