The PG Department of English, Sree Narayana College for women, Kollam presents with pride and satisfaction its annual report for the academic year 2020-21. The department could leave its exceptional mark in academics as well as extracurricular activities, as in the prior years.

The Department has eleven permanent teachers, of which two faculties are Ph.D. holders and another two faculties have also registered for Ph.D. The Department also includes four guest faculties, of which one is a Ph.D. holder.

Our department participated in all the realms- socio, cultural, educational, political and other activities- which stands with its head held high among the other colleges of different Universities in India and the integrity of our Department is high ranking and we are proud of its remarkable achievements made in this academic year, in spite of the outbreak of the Covid -19 epidemic and its adverse after effects on education sector.

The students of the department have left no stone unturned in extra-curricular activities. With a lighted spirit of competition we worked hard to emerge in flying colours. Our students could secure first places in various competitions held on state level and National level also. Besides, we wish to state that many of the students are active cadets of NCC and

ardent participants of N.S.S. All the students of the department are active members of various clubs and associations in the college.

IMPORTANT EVENTS

At this juncture, the Department wish to share our feeling of great pride in having successfully hosted one International Webinar on *Ethno literature and the Environment* on 30 July 2020. Dr. John Charles Ryan, South cross University, Australia was the Resource person. Well known academicians from different parts of Kerala participated in the webinar and shared their thoughts. Highly intense and nuanced intellectual engagements enriched the audience considerably. The theme of the webinar, due to the contemporary nature, struck a chord with the audience and was very well received. The webinar thus symbolized for us great strides in our quest for academic and institutional excellence.

The IQAC and the PG Department of English, in association with the Social Justice Department, Government of Kerala jointly organized a seminar on Trans Lives-Fighting for Survival during the Pandemic on 4th March 2021.

Teachers of the Department also worked as conveners and co coordinators of different clubs. Club activity is the part of CBCSS and this enables a healthy relationship between teachers and students
